

Men's Spring Knitting Retreat

at Easton Mountain

Description: This gathering allows men an opportunity to do fiber crafts in the company of other men in a serene and beautiful location in Upstate New York. We will play with fiber at **Easton Mountain**, a retreat center nestled in the mountains northeast of Albany, New York.

The Men's Spring Knitting Retreat (MSKR) weekend is intended to be relaxed, educational and offering plenty of opportunities for independent handwork, conversation, and general hangin' out with like-minded guys.

Participants: While the event will focus primarily on handknitting, all related fibercrafters -- spinners, crocheters, embroiderers, etc. -- are welcome to attend. Attendees are also welcome to bring their same-sex partners for a relaxing weekend get-away: a chance to catch up on reading, or reconnecting with nature and themselves.

Dates: Friday May 16 to Sunday May 18, 2008.

Venue: The Retreat Center at Easton Mountain – Upstate New York

Cost: \$190 – includes lodging and meals from Friday dinner to Sunday lunch

To Register: Book your accommodations at Easton Mountain (1-800-553-8235 or 1-518-692-8023)
